2019 POUGHKEEPSIE OPEN STUDIOS

5th
annual

Poughkeepsie Open Studios is a project of the Barrett Art Center

Welcome to Poughkeepsie Open Studios 2019

Poughkeepsie Open Studios is a free, self-guided tour of the arts through historic Poughkeepsie, New York. Visit private working artist studios, temporary "pop-up" artist spaces and gallery exhibits, nestled in and around the historic buildings of our City. Plan plenty of time to explore and enjoy the history and the culture of Poughkeepsie, NY.

The Barrett Art Center

Poughkeepsie Open Studios is produced by an all-volunteer committee, partnering with our local artists, arts organizations, art galleries, and businesses. We are hosted by the **Barrett Art Center**, home of the Dutchess County Art Association, a 501(c)(3) organization dedicated to fostering an appreciation of arts in the Mid-Hudson Valley through exhibitions, lectures, workshops, and demonstrations.

A special thank you to our partners and contributors.

"What is a Flag?" Highly personal/ Deeply social

Erina & Hanna Schultz, & Friends

Art Centro Gallery, 485 Main Street

This group exhibition asks viewers to consider the daily use and observation of flags and the messages transmitted therein. Though highly personal in individual content, each artist's flag engages its viewer through its deeply social form to explore the common threads that unite all our collective yet most private human experiences. What initially began as a logistical question, "What is a flag?," posed at the task of designing a flag, grew into a shared inquiry amongst friends and strangers into the nature and purpose of flags.

After hours celebration!
Saturday 5:00pm

Dutchess County Poet Laureate
Poet Gold and her performers will
be on the lawn facing Main Street
at the Cunneen-Hackett Arts Center
after the Open Studios are Closed.

Visit the **UPCYCLE** project in the **Poughkeepsie Underwear Factory**. This is a workforce training social enterprise of **Hudson River Housing** that creates “upcycled” products from discarded building materials and other found objects. Own a piece of history like these coasters made from roofing slate of the Poughkeepsie Underwear Factory.

Through advocacy, collaboration and action, we are working to build a strong, vibrant and creative neighborhood of choice in Poughkeepsie. The Middle Main Initiative is a project of Hudson River Housing.

Hudson River Housing provides a continuum of services that improves lives and communities through housing with compassion and development with vision. We create pathways out of homelessness through empowerment, education and advocacy. We strengthen communities by developing and preserving affordable housing and creating opportunities for people and places to thrive.
