ABOUT POUGHKEEPSIE

OPEN STUDIOS

Since 2015, Poughkeepsie Open Studios has been a popular and unique experience for art enthusiasts to personally interact with the many talented artists who live, work, and/or teach in our area. Attendees to this event are afforded the opportunity to visit artist venues – studios, galleries, arts organizations, and temporary "pop-up" spaces – and explore the creative processes, inspirations and methodologies employed by participating artists as well as take in the rich history of Poughkeepsie, the broad cultural diversity of our community, and the beauty of the Hudson River Valley.

We are thrilled to be returning to Poughkeepsie Open Studios in-person this year! Visit our local artists and shops, grab coffee or a cocktail, and take advantage of all this beautiful city has to offer. Welcome to Poughkeepsie!
